Available Services from Haddad's Fine Arts

HFA Art Department

Custom cropping, resizing and color modifications. We can create art for you!

HFA Substrates

Paper, Canvas, Poly Canvas, Acrylic, Wallpaper, Metal, Vinyl and Wood

HFA Commercial Printing

Send us your file and we will review, assist with modifications and print on the substrate of your choice. Test strips available for a small fee.

HFA Scanning

Send us your original painting or photograph and we will scan, color correct, assist with modifications and provide test strips.

HFA Embellishments

Texture - Add visual impact to canvas art. Rolled, brush or palette knife, we offer texture options ranging from heavy full coverage to highlighted areas only. Texture offers a layer of protection to your canvas and will not crack when stretched.

Painted Highlights - single, multi-color, gold or silver - highlight specific areas or the entire piece. Recommendations can be made based on your budget requirements.

Liquid Lamination - Liquid lamination is the ideal coating for canvas giclees that require extra protection. Chemical resistant formula enhances color and is highly flexible so additional embellishments can successfully be added over any laminated product. Laminated canvas will not crack when stretched.

Metallic Leaf - gold or silver leaf available

HFA Framing Solutions

- Canvas stretching and framing
- Standard floater frames in black, white, silver, champagne, gold, espresso and natural wood
- Security hardware, mounting solutions and hard backing available
