**HFA Art Department**

Custom cropping, resizing and color modifications. We can create art for you!

**HFA Commercial Printing**

Send us your file and we will review, assist with modifications and print on the substrate of your choice. Test strips available for a small fee.

**HFA Scanning**

Send us your original painting or photograph and we will scan, color correct, assist with modifications and provide test strips.

**HFA Substrates**

Paper, Canvas, Poly Canvas, Acrylic, Wallpaper, Metal, Vinyl and Wood.

**HFA Embellishments**

**Texture** - Add visual impact to canvas art. Rolled, brush or palette knife, we offer texture options ranging from heavy full coverage to highlighted areas only. Texture offers a layer of protection to your canvas and will not crack when stretched.

**Painted Highlights and Metallic Leaf** - Single, multi-color or gold/silver leaf - highlight specific areas or the entire piece. Recommendations can be made based on budget.

**Liquid Lamination** - Liquid lamination is the ideal coating for canvas and giclée applications requiring extra protection. It is specifically formulated for use over water-resistant canvas and giclée applications allowing users to stretch the canvas after coating without any cracking.

Advantages of Liquid Lamination include:

- State of the Art UV-inhibitors
- Protects canvas from abrasion and marring
- Highly flexible - additional embellishments can successfully be added over laminated canvas
- Chemically resistant
- Non-yellowing / Enhances color

**HFA Framing Solutions**

- Canvas stretching and framing
- Security hardware, mounting solutions and hard backing also available.
